### TOUR NOTES

1. Prices are quoted in Australian Dollar and are correct at the time of printing this document (09 March 17). They are subject to currency fluctuations and may need to be re-quoted if large variances occur with the USD and PGK rates. PNG Holidays **WILL NOT** be liable for changes in price due to the above and the rate is not guaranteed until paid in full. A final invoice with the amended total will be given to you by the payment due date.
2. A 20% deposit is required at the time of booking with the balance payable 60 days before the tour commences.
3. Cancellations – land content: Within 60 days, no refund; 45-60 days prior, 50% refund. 61 days+ \$300 per person cancellation fee.
4. Cancellations – air: Airlines have different rules depending on the fare booked, and their cancellation fees will be known and advised in a case by case basis.
5. Bank and credit card fees. Not included in the above rates, and are depending on type of card and country of origin. You must add all fees to the amount that you send and you will be notified of any shortfalls once the money has been received.
6. Single supplement. All accommodation included in the tour package quoted is twin-share. On payment of a single supplement levy and subject to availability, we will arrange single occupancy for you at the hotels on this tour. The single supplement charge is a flat rate and covers the cost of the extra rooms and our service

fee for the additional arrangements. If you are travelling alone and you do not pay the single supplement, or if single supplement is not available, we will room you with another member of the tour group of the same gender. Smoking won't be allowed in any of the hotel or guest house rooms on this tour.

7. Extras. Bar drinks, between-meal snacks, any meals not included in the package, and other extras at hotels can be paid for in cash or with credit card direct to the hotel or restaurant.
8. Climate and clothing. In the Highlands areas like Goroka, the days are generally warm and sunny with moderately cold nights and mornings. We suggest visitors pack clothes made predominantly of cotton which will allow an evaporative cooling effect in hot humid areas. Pack a sweater or warm jacket for wearing in the Highlands in the evenings. Recommended sleeping attire is light track pants and sweat shirt or similar. Papua New Guinea is a conservative country and brief or revealing clothing worn by foreigners is frowned upon.
9. Packing suggestions. We suggest that your packing list include: rain poncho and a small first aid kit. We recommend valuable personal items (camera, travel documents etc) be packed in zip lock plastic bags to protect them from the wet. Suitable footwear for this tour includes tennis shoes/sneakers, and a pair of sandals/thongs/flip flops. Bring plenty of spare batteries for your digital camera because batteries seem to go flat more rapidly in the humid climate and are not obtainable in all stores here. Power outlets are the same as in Australia.
10. If you are on a gluten free diet or require other special food just let us know in advance and we will do our best to accommodate you.
11. Water. Town water supplies in Papua New Guinea are treated and officially rated as safe to drink. However, to prevent discomfort from drinking from a different water supply every day as you progress through your tour, we recommend you drink bottled water, or use water purification tablets.
12. Visas. Tourist visas are available on arrival at Port Moresby airport for citizens of designated countries including Australia, New Zealand, the USA, Canada and Northern and Western European countries; Please note your passport must have at least 6 months validity left on it in order to be issued a PNG visa. Passport-holders of central and eastern European countries, Middle Eastern countries, African and Caribbean countries must normally apply for a visa at least 6 weeks in advance, from a PNG embassy or high commission (London, Brussels, Washington DC, Canberra, Singapore, Manila) or through the Australian diplomatic mission in other countries.
13. Money. The best way to obtain PNG currency is by withdrawing a credit card cash advance on arrival. Automatic teller machines operated by major banks in PNG will accept MasterCard and Visa Card but there is an ATM withdrawal limit of PGK2000 (about USD\$1040) per day. Larger amounts can be withdrawn over the counter in bank branches located in major towns. The currency exchange booths at Australian and Asian airports usually have PNG Kina currency in stock (banks and currency exchange booths in the city centres may not), but don't change large sums of money before arrival in PNG because the exchange rate for purchasing PNG kina is better there.
14. Package modifications. We can arrange this tour as an 'add-on' to other tours or accommodation packages and can offer much better rates on domestic airfares if bundled together with international flights.
