<p>EM4</p> <p>HALF DAY BROWN RIVER BIRDING TRIP (06:00 to 11:00 or 13:00 to 18:00)</p>	<p>45 minutes' drive north of Port Moresby city. 1 hour bird-spotting along the main highway for "the usual suspects" — various lowlands species, 2 hours bird-spotting along an old logging road — our secret location — climbing through a profile of habitats from dry grassland to riverine lowland rainforest to sub-montane rainforest all with associated species including ground birds, tree dwellers and soarers and starring a resident flock of hornbills we have seen on every trip so far. This will be a combination of stop-and-watch at known hot-spots plus walking along the logging road and bird-spotting with the vehicle trailing at a distance. (Bird list not yet available for his location as it is new). Ad hoc stops for bird spotting on the way back to Port Moresby (roadside raintrees etc). Tour includes private vehicle and non-specialist tour guide, umbrellas, bottled water and snacks (fruit, biscuits, cake), gratuities to local community for land access.</p> <p>Tour does not include lunch. Optional stop at food outlet to purchase own lunch after or before tour. Transport by 4-seat, 8-seat, 15-seat or 25-seat vehicle depending on numbers. Vehicles are late model and clean with air-conditioning. NB no proper toilets available on this trip — but there will be many opportunities to disappear discreetly behind a bush. <p>EM8</p> <p>HALF DAY IDLERS BAY AND ROKU VILLAGE TRIP (08:30 to 13:00 or 13:00 to 17:30 Mon-Sat only)</p>	<p>30 minutes' drive out of Port Moresby city with access via oil refinery restricted area. Bumpy feeder road arrives at picturesque Idlers Bay and Roku, a secluded peri-urban village of Motuan people, the traditional inhabitants of the Port Moresby area. Exclusive access arrangement with Ecotourism Melanesia — not offered by other tour companies. Walking tour of Roku village and meet some of the locals, learn about some of their modern and traditional ways of life from a village guide. Continue driving 10 minutes to the now abandoned Ahearn Point gun battery and tunnels (WW2 harbour defences). The big guns have been removed but concrete gun emplacements and bunkers remain. Rarely visited by tourists. Continue driving 10 minutes to a secluded, idyllic private beach for a swim or snorkel — we will bring a few masks and snorkels but bring your own towel and change of clothes if you intend to get wet. (Please don't enter the water if you are a non-swimmer because there will not be a qualified lifeguard available).</p> <p>Tour includes private vehicle and tour guide, umbrellas, bottled water and snacks (fruit, biscuits, cake), gratuities to local community for land access and village tour. Tour does not include lunch. Optional stop at food outlet to purchase own lunch after or before tour. NB no proper toilets available on this trip — but there will be many opportunities to disappear discreetly behind a bush.</p>

GENERAL TRIP NOTES

-) Rates are valid until 31 December 2017 but are subject to change without notice.
-) All our day trips operate on private basis, on-demand only. We do not operate daily tours that you can buy tickets to join, because the number of visitors to PNG is very small and operating a daily tour schedule is not viable. All other day-trip operators in PNG are the same.
-) Transport is provided from the airport or your accommodation around the city area and return to either upon completion of the tour.
-) Bookings on Sundays and public holidays attract a 20% surcharge due to penalty wages.
-) Road transport is by 4-seat, 8-seat, 15-seat or 25-seat vehicle depending on numbers. Vehicles are late model and clean with air-conditioning.
-) All vehicles are stocked with bottled water and umbrellas.
-) Picnic lunch provided on full day tours. Advise us in advance of any allergies or dislikes.
-) 1-4 pax includes one driver and one guide, 5+ pax includes driver, guide plus one or more assistants
